REFERENCE LIST

We reviewed the literature from 2020 to 2025 and identified peer-reviewed home visiting articles that precision home visiting and the Precision Paradigm. Citations are listed below.

Precision Home Visiting - General

Haroz, E. E., Ingalls, A., Kee, C., Goklish, N., Neault, N., Begay, M., & Barlow, A. (2019). Informing Precision Home Visiting: Identifying Meaningful Subgroups of Families Who Benefit Most from Family Spirit. *Prevention Science : the official journal of the Society for Prevention Research*, 20(8), 1244–1254. <https://doi.org/10.1007/s11121-019-01039-9>

Haroz, E. E., Ingalls, A., Wadlin, J., et al. (2020). Utilizing broad-based partnerships to design a precision approach to implementing evidence-based home visiting. *J Community Psychol*, 48, 1100–1113. <https://doi.org/10.1002/jcop.22281>

Ingalls, A., Barlow, A., Kushman, E., Leonard, A., Martin, L., Team, P. F. S. S., West, A. L., Neault, N., & Haroz, E. E. (2021). Precision Family Spirit: A pilot randomized implementation trial of a precision home visiting approach with families in Michigan-trial rationale and study protocol. *Pilot and feasibility studies*, 7(1), 8. <https://doi.org/10.1186/s40814-020-00753-4>

Ingalls, A., Rebman, P., Martin, L., Kushman, E., Leonard, A., Cisler, A., Gschwind, I., Brayak, A., Amsler, A. M., & Haroz, E. E. (2022). Towards precision home visiting: results at six months postpartum from a randomized pilot implementation trial to assess the feasibility of a precision approach to Family Spirit. *BMC pregnancy and childbirth*, 22(1), 725. <https://doi.org/10.1186/s12884-022-05057-4>

Kanda, K., Blythe, S., Grace, R., Elcombe, E., Rodgers, K., & Kemp, L. (2023). 'Everything's adaptable': A qualitative study of how nurses make decisions in sustained home-visiting care with mothers and children experiencing adversity. *Journal of advanced nursing*, 79(12), 4568–4579. <https://doi.org/10.1111/jan.15736>

Mersky, J. P., Janczewski, C. E., Lee, C. P., & Yasin, T. (2022). Impact of home visiting programs on parenting stress in low-income women: Findings from a community-based trial at an urban health department. *Children and Youth services Review*, 142. <https://doi.org/10.1016/j.childyouth.2022.106638>

Mersky, J. P., Janczewski, C. E., Plummer Lee, C., Gilbert, R. M., McAtee, C., & Yasin, T. (2021). Home Visiting Effects on Breastfeeding and Bedsharing in a Low-Income Sample. *Health education & behavior : the official publication of the Society for Public Health Education*, 48(4), 488–495. <https://doi.org/10.1177/1090198120964197>

Senehi, N., Meyer, A., Webb, M. B., Parikshak, S., & Blandon, A. (2025). An Integrated Review of Findings from the Early Head Start University Partnerships Buffering Toxic Stress Consortium. *Prevention science : the official journal of the Society for Prevention Research*, 26(Suppl 1), 1–17. <https://doi.org/10.1007/s11121-025-01801-2>

Supplee, L. H., & Duggan, A. (2019). Innovative Research Methods to Advance Precision in Home Visiting for More Efficient and Effective Programs. *Child development perspectives*, 13(3), 173–179. <https://doi.org/10.1111/cdep.12334>

Mention of the Precision Paradigm

Breidenbach, A., Heinz, H., & Jimenez, E. Y. (2023). Factors Associated With Self-Reported Family Enrollment in Community Services After Referral by First Born Home Visitors. *Academic pediatrics*, 23(5), 893–903. <https://doi.org/10.1016/j.acap.2022.09.008>

Duggan, A. K., Bower, K. M., Spinosa, C. Z., O'Neill, K., Daro, D., Harding, K., Ingalls, A., Kemner, A., Marchesseault, C., & Thorland, W. (2022). Changing the home visiting research paradigm: models' perspectives on behavioral pathways and intervention techniques to promote good birth outcomes. *BMC public health*, 22(1), 1024. <https://doi.org/10.1186/s12889-022-13010-5>

Russette, H. C., Grubin, F., Ingalls, A., Martin, L., Leonard, A., Kushman, E., Cisler, A., Leffler, E., Herman, A., & Haroz, E. E. (2022). Home visitor perspectives on implementing a precision approach to home visiting in communities serving Native American families. *Infant mental health journal*, 43(5), 744–755. <https://doi.org/10.1002/imhj.22012>

Spinosa, C. Z., Burrell, L., Bower, K. M., O'Neill, K., & Duggan, A. K. (2023). Moving toward precision in prenatal evidence-based home visiting to achieve good birth outcomes: assessing the alignment of local programs with their national models. *BMC health services research*, 23(1), 812. <https://doi.org/10.1186/s12913-023-09815-8>
